**Submitted Text:**

I have suffered massive humantrafficking. It started as a young child. I was sold to russia. I have been molested by lawyers, judges, royalties, politicians and presidents, policemen and others. I was sold to Jeffrey Epstein several times. My family and relatives recieved money for me. I have been molested and raped several years. They made porn of me. They made me a sexslave in every nation. They tried to kill my brain. The royalties in Norway, Gunnhild Stordalen, Petter Stordalen, Kjell Inge Røkke, [REDACTED], Jens Stoltenberg, Jonas Gahr Støre, Stian and others tried to put me into coma and they wanted to make me disabled. I was a billionaire and people stole this fortune and tried to disqualify me. There is no help to get, I need help. I have been involved with Joe Biden and Hillary Clinton.
